## Sales Prices in Abu Dhabi

### Data collected by Landmark Advisory

Landmark Advisory is an independently managed and operated entity. These rates are guidelines created by Landmark Advisory analysts. The methodology used combines transactional data, mystery shopping and broker surveys.

Landmark Advisory clients can obtain more detailed guides that track historical price trends, transactional bid-ask spreads, indicative pricing, and more. In addition, the client-level versions of this guide also drill down into specific buildings, grades, square footage, etc. For more information on obtaining these detailed versions, contact Landmark Advisory.
